Case study five:
Tool 2 - Social Work capabilities for attachment-aware practice

This tool sets out the social work capabilities in the Professional Capabilities Framework that relate to attachment-aware practice. You can use this to consider your own practice and learning needs.

- What are my strengths in relationship-based working?
- Where do I need to develop my practice?
- How will I do this?
- What support do I need?

This tool is taken from RiPIA (2015) Frontline: Attachment-aware practice
